

## Dubulti – Lielupe – Bulduri

### The Most Popular Beaches in Latvia

The widest sandy beach of the Gulf of *Rīga* stretches from *Dubulti* to the *Lielupe* River. It is the main asset of *the Jūrmala* resort offering many beach cafés and different recreational possibilities. The coastal dune forests are permeated with a dense web of trails suitable for walking and stick-walking. The part of the *Baltic Coastal Hiking Route* located between the beach of the *Lielupe* River and *Jūrmala* beach is part of the *Ragakāpa* Nature Park. Form here, you can easily get back to *Bulduri* by taking *Bulduri prospekts* and the 5th line.
